# FOR THE SPONSORS

The background is a solid blue color. At the top, there are three black spotlights mounted on the wall. Each spotlight is angled downwards and is casting a bright, circular beam of light onto a yellow rectangular platform at the bottom of the frame. The beams of light are a bright yellowish-white, creating a strong contrast with the blue background. The platform is a simple, flat yellow rectangle with a slight 3D effect, suggesting it's a stage or a display area.

The format also offers sponsorship and PR opportunities.

You will get questions specially written for your product or service. On-site branding and slots in promotional materials.
